

Innovate and Create with Technology

Issue 1, 2013

Class Dojo

Very effective and simple to use online behaviour management. Every aspect can be tailored to suit the needs of each class or specific school behaviour programs.

Super Teacher Tools!

Stop the class complaining about the groups you assign or the student you choose. Let the computer do it for you with random name generators, group generators, seating charts, IWB games and more.

See, Share, Shape

Notebook resources for the SMARTboard from Electroboard.

If you would like an info session on any of these, or other, tools or sites, please send me an email.
